

# A.M.E.N. READS: EPIPHANY SELECTION

How does Christ's **GRACE**  
transform our approach  
to **RACE**?

This **Epiphany** as we celebrate Jesus, the light to the nations, the Anglican Multi-Ethnic Network (A.M.E.N) invites churches across the ACNA to consider how the reconciling love of Christ can heal racial divisions as we read together: ***Gracism: The Art of Inclusion***, by David A. Anderson (IVP).

From *Gracism*: “A ‘gracist’ reaches across ethnic lines and racial borders to lend assistance and ‘extra grace’ to those who are different, on the fringe or marginalized.”

Please join our parish as we read this book together:
